

Core for Women Plus

Nutrafol® Core for Women Plus is a multi-targeting nutraceutical containing standardized ingredients that address the key triggers of poor hair health including stress, DHT, free radicals, micro-inflammation, compromised nutrition, and hormone changes associated with menopause.

Benefits

Hair Growth – The ingredients in Core for Women Plus have been shown to increase hair growth and provide fuller hair in women.

Hair Quality – Core for Women Plus was formulated with ingredients to strengthen and nourish hair from within.

Effective Ingredients – Medical grade, standardized, and bio-optimized ingredients that have been clinically tested for efficacy.

Overall Health – Core for Women Plus is formulated with ingredients shown to rebalance hormones, reduce stress, fatigue, improve sleep, improve the appearance of skin and nails, and promote overall feels of wellness.

Indications

For adult pre, during, and post menopause experiencing hair related changes and for women looking to improve the overall health of their hair with age.

Recommendations

Nutrafol® recommends 4 capsules daily, with a meal.

Special Features

- Synergen Complex® is a patent pending, proprietary blend of standardized botanicals that synergistically target multiple factors affecting hair growth.*
- Nutrafol® Blend is a proprietary blend of amino acids and botanicals designed to provide bioavailable nutrient support for healthy hair production.*
- Supports thyroid health with 200mcg of Selenomethionine and 225mcg of Iodine derived from organic kelp.
- Supports observable hair growth with 300mcg of biotin.
- Enhances bioavailability of herbal extracts and micronutrients with BioPerine® Black Pepper Extract.

Key ingredients

USPlus® Saw Palmetto – Clinically tested to help prevent the conversion of testosterone to DHT, a hormone linked to thinning hair through miniaturization and fibrosis of the hair follicle.

Organic Maca Root – Sourced from organic farms in Peru, Maca is shown to naturally promote balance of hormones. Changes in hormones during menopause have been linked to poor hair health.

Sensoril® Ashwagandha – Clinically tested to decrease the levels of hair damaging stress hormone (cortisol) by up to 24% and improve resistance to stress in adults.

BCM 95® Bio-Curcumin® Curcumin – Clinically tested to lower inflammatory biomarkers, Curcumin is a potent antioxidant that optimizes the immune system and fights micro-inflammation that interrupts optimal hair growth.

Marine Collagen – Sourced from North Atlantic Cod, marine collagen is known to promote healthy hair, improve moisture, and promote diffusion of nutrients. Hydrolyzed to a low molecular weight for better bioavailability.

EvNolMax® Tocotrienols – Extracted from sustainable palm oil in Malaysia, mixed tocotrienols/ tocopherols are known to promote healthy hair growth.

Astaxanthin – A potent antioxidant know to promote healthy aging and longevity.

Side effects / Precautions

At this time there are no side effects or precautions. Consult your physician for more information.

Drug interactions

Nutrafol® Core products may be contra-indicated with blood thinning medications. Consult your physician before taking.
